TERMS & CONDITIONS

Awards or accrued Miles, including purchased Miles, do not constitute the property of the member to whose Mileage Plan account the Miles have been posted. However, awards or accrued Miles do provide the member with an option to exchange such Miles for travel at the redemption level in effect at the time of redemption (not at the time of accrual).

Alaska Airlines reserves the right to audit Mileage Plan accounts at any time and without notice to the member to ensure compliance with these Mileage Plan Conditions of Membership and applicable conditions of carriage and/or tariffs. In the event that an audit reveals discrepancies or violations, the processing of Mileage Plan awards, mileage accrual or redemption of accrued mileage may be suspended until the discrepancies or violations are resolved to Alaska Airlines' satisfaction. Alaska Airlines reserves the right to terminate the membership and/or suspend access to the mileage balance of any member at any time for any reason it deems appropriate.

No benefit of Mileage Plan membership - including mileage credit, award travel, upgrade certificates, companion certificates, and elite status nominations - may be sold, purchased, or bartered, except to the extent permitted through Points.com. Mileage, certificates, tickets, or other benefits of Mileage Plan membership that are sold, purchased or bartered, and award tickets or Miles that are obtained from any unauthorized source (including travel agents, travel arrangers and unauthorized brokers), are voidable, in Alaska Airlines' sole discretion. Attempts to purchase, sell or barter these products or benefits shall be considered an act of fraud against Alaska Airlines. The member and/or the traveler shall be liable for the full, unrestricted value of awards issued as a result of improper or fraudulent transfers or otherwise in violation of these Conditions of Membership. Alaska Airlines reserves the right to deactivate the Mileage Plan account of any member involved in such activities until liability is fulfilled.

In the event a Mileage Plan member violates these Conditions of Membership, perpetrates a fraudulent or deceitful act against Alaska Airlines, any of its partners or any of its customers, or engages in behavior offensive to Alaska Airlines' employees, partners or customers, Alaska Airlines may, without notice and in its sole discretion, suspend the Mileage Plan member's account; terminate membership in the Mileage Plan program; cancel all previously accumulated mileage; refuse to transport on a temporary or permanent basis; and/or confiscate any certificates or tickets previously issued. Reinstatements are subject to an administrative fee, if Alaska Airlines elects to reinstate the account. Alaska Airlines reserves its right to seek all available damages at law and in equity that may result from a member's violation of these Conditions of Membership. Participation in the Mileage Plan program may be prohibited or restricted in some countries. Nothing in these Conditions of Membership should be read as an attempt to override or circumvent any such foreign laws, and the Mileage Plan program is void where prohibited by such laws.
