~~~~RESEARCH FOR A CURE~~~~

A dedicated committee of volunteers is preparing for the 40th Annual Daffodils & Diamonds Luncheon, Auction, and Fashion Show which will be held on March 9, 2023, at the beautiful Columbia Country Club in Chevy Chase, Maryland. This elegant event is attended by 300 fabulous women of all ages from throughout the Washington Metropolitan area~~~and beyond!

Under the auspices of the National Foundation for Cancer Research, the Daffodils & Diamonds Accelerator Fund for New Therapies supports breast, ovarian, and lung cancer research programs. We are again requesting your help to make this year's luncheon our most profitable and exciting event ever!!

For over 50 years, the National Foundation for Cancer Research, whose international headquarters are located in Rockville, Maryland, has been funding cancer research and prevention, enabling cutting-edge scientists world-wide to make breakthrough discoveries which have greatly impacted prevention, diagnostic techniques, targeted therapies, and novel treatments for cancer.

We invite you to join us in our efforts!

Your generous donation to our auction will be listed in our beautiful program and viewed actively by a large group of attendees. If you wish to discuss your donation or our goals in further detail, please call Alice-Anne Birch at (240) 994-6535 or Email at DaffodilsNFCR@aol.com.
